

Iowa State University Greek Week  
2017 Rulebook:  
March 26<sup>th</sup> – April 2<sup>nd</sup>

“Cardinal, Gold & Greek”

The Greek Community at Iowa State is full of friendships, pride, and tradition.

One of the oldest lasting traditions is Greek Week. Greek Week gives the members of the Greek Community an opportunity to come together and celebrate for a week of friendly competitions, events, and awards. During Greek Week, it is expected that all chapters compete with enthusiasm, integrity, respect, and pride.

Reminder: We would like to note that active participation in Greek Week is voluntary and is limited to those who are listed on each chapter's roster. All participants **MUST** complete the Greek Week waiver in order to participate in any Greek Week event.

Those outside of the Greek community are encouraged to attend the planned events and competitions, but competition is limited to Greek members only.

All Rules are subject to interpretation by Greek Week Central with final say designated to the General Co-Chairs and TOGA Staff.

**Note:** *Greek Week is a student-led initiative. Please remember you are representing the Greek Community, Iowa State University and the greater Ames community. We expect to see your values in action at all times. Greek Week Central wishes you a week full of fun and friendly competition. Best of luck!*

## Alcohol and Substance Policy

1. This policy will apply to all members of the Greek Community.
2. All facility based chapters are subject to their current alcohol policy in addition to the rules of Iowa State University, and the laws of the city of Ames, the state and the federal government-- i.e. NPC organizations shall have no alcohol on their premises at any time, IFC organizations will conduct their behavior in alignment with their assignment of being alcohol-prohibited, alcohol-restricted, or alcohol-permitted.
3. Non-facility chapters are subject to the rules and regulations of their local chapter bylaws, national organization policies, Iowa State University, state and federal law, and the premises which they are on at any given time.
4. Organizations may register functions. All functions must be registered through the appropriate channel(s) (e.g. The Office of Greek Affairs, Office of Student Conduct, and/or EAC). Any function found to be unregistered may result in one or more chapters being charged as such through their respective council or the university. All event registration rules apply regardless of alcohol involvement or not.
5. Individuals who are of age (21) may choose to responsibly consume alcohol at registered events, bars, restaurants, etc. All state and federal laws apply.
6. All Greek Week events are alcohol free and no alcohol may be brought to a Greek Week event or onto any Iowa State University property at any time. Your personal body is considered to be an open container.
7. If any individual is found during or after Greek Week to have knowingly contributed to the concealment of an unregistered event, or underage alcohol consumption or distribution, it will be encouraged that they are charged through the appropriate channel(s)- Chapter Standards Boards.
8. It is encouraged that Greek Week Central, Greek Week Crew and Chapter Leadership role model appropriate alcohol use behavior- this does not mean these individuals are on an alcohol ban, unless it is otherwise self-imposed.
9. It is the responsibility of every Greek Week Central and Greek Week Crew member and all Chapter Leadership to hold and turn-in any individual to the Greek Week Adviser and Greek Week General Co-Chairs, who violates numbers #10-11. Not doing so would mean a reprimand from the Office of Greek Affairs and a conference call with national organization representatives for Chapter Leadership; and immediate removal from office for Greek Week Central and Greek Week Crew members. If a Greek Week Crew member is removed from office the team will lose the points for that member's participation.

## Alcohol and Substance Policy

### ALCOHOL VIOLATION CONSEQUENCE

10. Regardless of age, if an individual is suspected to be intoxicated, any member of Greek Week Central may ask that individual to leave. If the individual refuses to leave immediately, this will be considered an alcohol violation and will result in a deduction of 150 points from the individual's team's current total Greek Week point accumulation. Additionally, the Greek Week Team Co-Chairs will be called to an immediate conference with the Office of Greek Affairs staff and Greek Week General Co-Chairs.
11. Regardless of age, if an individual is suspected to have alcohol, or be responsible for the intoxication of underage students at a Greek Week event- any member of Greek Week Central may notify Greek Week Central General Co-Chairs, and a member of Greek Week Central will remain with that individual until the ISU or Ames police can be called. This will be considered an alcohol violation. The team of that individual will lose 150 points from their current total Greek Week point accumulation. The Greek Week Team Co-Chairs will be called to an immediate conference with the Office of Greek Affairs staff and Greek Week Central General Co-Chairs.
12. If any team is issued a second alcohol violation for any reason listed above (#'s 10- 11), Greek Week General Co-Chairs and Office of Greek Affairs staff will immediately disqualify the respective entire team from Greek Week 2017.

# Greek Week 2017

## Sportsmanship & Inclusion Policy

1. This policy will apply to all members of the Greek Community.
2. Greek Week Teams are responsible for the conduct and actions of their members.
3. Unsportsmanlike conduct will not be tolerated at any time before, during, or after Greek Week (including both spectators and participants).
4. Unsportsmanlike conduct may refer to, offensive slurs and/or language, taunting, assault, or any other conduct deemed inappropriate by Greek Week Central or The Office of Greek Affairs Staff.
5. Equal inclusion of participating chapters is required (i.e. engagement and decision making for the team, representation and participation in events, etc.).
6. Should a chapter wish not to participate in a particular event(s) with their respective team, documentation must be submitted in writing (emailed to [greekweekisu@gmail.com](mailto:greekweekisu@gmail.com)) to the Greek Week Central General Co-Chairs before the event begins by the particular chapter wishing not to participate. Submitting this documentation will prevent their respective team from violating the Inclusion Policy or potential point deductions in the particular Greek Week event (e.g. tournaments).
7. Should a member, group, or chapter feel they are not being equally included in the team, these particular individuals should report this to the Greek Week Central General Co-Chairs or TOGA Staff. Approaching TOGA Staff or Greek Week Central General Co-Chairs will remain confidential.
8. TOGA Staff, Greek Week Central General Co-Chairs, and Greek Week Central will be monitoring sportsmanship and inclusivity at all Greek Week sponsored events including leading up to Greek Week (including content posted on social media).
9. Should a Sportsmanship or Inclusion Policy violation occur, the respective team co-chairs will be notified and a conference with Greek Week General Co-Chairs and TOGA Staff will occur at the earliest convenience or the team co-chairs will be approached at the respective event and informed that the particular behavior(s) will not be tolerated.
10. If a serious violation occurs, Greek Week reserves the right to deduct 150 points from the current total Greek Week point accumulation of the respective team (discretion of the Greek Week General Co-Chairs and TOGA Staff).
11. Any unsportsmanlike conduct that is in violation of university policy will be reported to the appropriate university departments who will conduct their own investigations, including but not limited to: Title IX, Equal Opportunity, and the Office of Student Conduct.
12. Particular events of Greek Week (e.g. tournaments) may have additional consequences for these violations mentioned above. Please refer to the particular Greek Week event in the Rulebook for further explanation.
13. Three violations will result in the entire team being disqualified from Greek Week 2017. Each violation will be documented and shared with the team co-chairs as well as TOGA Staff and appropriate university officials.
14. If a violation of this policy is reported after Greek Week, Central reserves the right to retroactively deduct points from the team's total score, including revocation of awards presented at Vespers 2017.
15. Example violations of this policy would include inappropriate "themes" for Lip Sync practices, offensive language in group chats, behavior which excludes any chapter from the team, etc.

# Greek Week 2017 Information

The Chapter's Odysseus roster will be used to determine participation counts and dues for all active members (study abroad and other circumstances should be noted in Odysseus). Chapter Presidents and Team Co-Chairs will receive an email on Thursday, February 9<sup>th</sup> reminding them to update Odysseus by Friday, February 17<sup>th</sup> at 12:00 PM (Noon). After 12:00 PM Friday, February 17<sup>th</sup>, Odysseus rosters will be final (i.e. no amendments will be made, no exceptions will be granted). ## **Safety:**

Safety is a priority for Greek Week Central. We ask that all participants use caution while competing in Greek Week events. Additionally, Greek Week Central asks that all spectators view events in a manner that is safe for both them and the participants. If spectators must move in order to ensure their safety or the safety of the participants Greek Week Central will ask them to move. Failure to abide with Central's request may result in point deductions or other consequences. Examples of this include but are not limited to: sitting on chapter facility roofs, riding on top or on the back of cars or trucks, and hanging out of windows.

## Why is this points system being implemented?

In the past many teams have been involved in Polar Bear Plunge. However, only the top three teams have received the points they deserved. This system rewards teams that do not place in the top based on how much money they raised.

## Why is there a square root?

The square root in the formula allows teams near the bottom to catch up to the teams at the top.

# Lip Sync Rules: Patents and Scripts

## Requirements:

- Theme and song patents must be submitted using this [link](#) by 5:00 PM on January 16<sup>th</sup>, 2017. Late patents will NOT be accepted. If the patent is late, the team will not be able to participate in Lip Sync 2017.
- Theme patents must be as detailed as possible and must include a plot summary, character names, and descriptions. If Lip Sync Coordinators don't feel there is enough detail, the respective Lip Sync Co-Chairs will be notified and can revise and resubmit their team patent.
- Resubmissions must be completed within 24 hours of being notified and will be revisited on a first-come, first-serve basis.
- MP3 and prop patents must be submitted to the Office of Greek Affairs Lip Sync Coordinator's Mailbox by 5:00 PM on February 20<sup>th</sup>, 2017. Late patents will NOT be accepted. If the patent is late, the team will not be able to participate in Lip Sync 2017.
- Song and prop patents must be as detailed as possible and must include song titles, artists, and list of props needed for the skit. There will be no mash-ups allowed unless all songs used within the mash-up are patented separately.
- If the song contains explicit material, the team will need to provide a clean version.
- **No** similar patents will be accepted. This rule will be enforced and patents will be returned in priority order.
- Skits must be between 5 and 8 minutes in length. Failure to fall within this time span will result in a deduction of 10 points.
- Preliminary Scripts (three copies) will be due to the Greek Week Lip Sync Coordinator's mailbox by 5:00 PM on February 13<sup>th</sup>, 2017 in the Office of Greek Affairs. Scripts must include all lines being said in the skit, which participants will be on stage at any time during the skit, props that will be on stage, when each song is played, and lighting cues/timing.
- Each team will have an optional scheduled one-on-one meeting to go over preliminary scripts with the Lip Sync Coordinators on February 22<sup>nd</sup>, 2017. Times and signup sheet will be sent out via email after preliminary script submission.
- Finalized Scripts (two copies) will be due to the Greek Week Lip Sync Coordinator's mailbox by 5:00 PM on March 8<sup>th</sup>, 2017 in the Office of Greek Affairs. - It is highly recommended co-chairs keep lighting cues to a reasonable level of difficulty as no additional time during the CY Stephens practice or before the actual performance will be allotted for excessive lighting or technology requirements. Failure to follow this recommendation will be the fault of the chapter Lip Sync co-chairs only.

- A maximum of one team per Greek Week Team may enter each tournament.
- All teams need to check-in 20 minutes before their first scheduled tournament. Any team that does not have a full team prior to the start of tournament play will be **disqualified** from the tournament.
- Each participant must bring their ISU Student ID to every tournament and have submitted the waiver in order to check in and participate.
- Each participant must swipe their ISU Student ID to verify they have completed a waiver before they can participate.
- Jewelry is not allowed to be worn in any tournament, except for Trivia Blast.
- Any player who is bleeding during the game must leave the game until the wound is cleaned and covered.
- No cleats are allowed for any tournament.
- Any game requiring overtime or tiebreaker, will have the decision of starting possession determined by a coin toss.
- Greek Week Rules are the same as ISU intramural rules, along with specific inclusions defined in the following pages.
- Brackets generated randomly for each event and will be posted on social media at least 24 hours prior to the start of the tournament.

## Alcohol Policy:

- Intoxication and alcohol consumption is not permitted during any Greek Week tournament events.
- Teams with members consuming alcohol or intoxicated on the premises will immediately be asked to leave the tournament and will receive a 150 point deduction, as defined in the Alcohol Policy.
- A team's second offense will result in disqualification from all Greek Week events.

## Sportsmanship:

- Teams will begin with 5 Sportsmanship points for each tournament. Unsportsmanlike conduct will result in a warning or removal from the competition temporarily until a viable substitution opportunity occurs. A second offense, or extreme first offense, will result in the loss of these points for that tournament. The final decision will be based on the discretion of the General Co-Chairs on all deductions and the values of each deduction. Sportsmanship deductions will be accounted for prior to final placing.
- Unsportsmanlike conduct may also result in participant ejections from the tournament. If a participant is ejected from a tournament, they will not be allowed to participate in any following tournaments. Participants and spectators will receive one warning for unsportsmanlike conduct before being ejected from that tournament. Participants and spectators that are ejected will be removed from the facility immediately.

# Tournaments: General Rules

## Participation and Scoring:

- To prevent domination in a tournament from one fraternity and/or sorority, Greek Week Central will be awarding teams for utilizing members of every chapter that is present on your team.
- Each team is eligible to win 5 participation points at each tournament.
- Team rosters must be submitted to the Tournaments Coordinators 24 hours prior to the start of each tournament.
- In order to receive full participation points, at least one member of every chapter for a team must participate in that tournament and each member on the team roster must check in prior to the start of the tournament. Rosters will be checked prior to the start of each event.
- To determine the amount of participation points you will be awarded, multiply the fraction of chapters that are signed up by 5 points.
  - Ex) If 3 out of 4 chapters participate in a tournament, you take the fraction  $\frac{3}{4} \times 5 = 3.75$ . The decimal number awarded will be rounded to the nearest point. In this case, 3.75 would round up to 4.
  - Ex) If a team were to have  $\frac{2}{3}$  chapters participate, you would multiply  $\frac{2}{3} \times 5 = 3.33$ , which would round down to 3 points.

# Olympics Sportsmanship and Safety

## Sportsmanship:

- For each event, each team will have the opportunity to receive one bonus point for displaying appropriate behavior during the event. This bonus will be awarded based on the behavior of not only participants, but spectators as well. Any behavior not conveying a positive experience for ALL attendees will result in a loss of this point.
- Each team will be issued one warning for the entire day, and any following incidents will result in the loss of point for the corresponding event.
- A second incident will result in a loss of the 1-point for the corresponding event as well as a loss of 3 points from the team's overall Greek Olympics point total.
- A third incident will result in the team's **disqualification** from Greek Olympics.
- The Sportsmanship Policy will be utilized during all Greek Week events, including Olympics.

## Safety:

Spectator safety is a main priority for Greek Week Central. We wish to ensure all spectators view events in the safest way possible. All spectators are required to view events from ground level or behind closed windows inside chapter facilities. There will be zero tolerance for spectators viewing from chapter roofs, hanging out windows, etc. Chapters are permitted to have spectators view from inside their own facilities, but they must abide by the guidelines listed above. Chapters unwilling to abide by these guidelines will receive a **5 point deduction** from their respective team's overall Greek Olympics point total.
